Christmas Tree Hearts N Viktoria, 2025-09-18

What happens when the man sent to destroy you has been saving you all along NOELLE I've got twenty eight days to save my family's 140 year legacy and I'm not letting some rich white boy in designer boots steal what my ancestors bled for Connor MacReady showed up at my North Carolina Christmas tree farm with his perfect smile and lies about agricultural partnerships but I know a wolf when I see one Even if this particular wolf has shoulders that stretch his expensive shirts in ways that make me forget my own name Even if his hands too calloused for a corporate shark know exactly how to handle my Noble Firs Even if he presses me against the barn wall during a snowstorm and kisses me like I'm the only thing keeping him alive I should have known he was too good to be true Now I've discovered his company wants my land for luxury condos Worse He's been my secret benefactor for three years the anonymous angel who paid my taxes when I couldn't He's been watching me Wanting me Saving me while planning to destroy everything I love Twenty eight days until I lose everything Unless I can resist the enemy who makes my body burn and my heart race every time he whispers my name like a prayer CONNOR Three years ago I saw Noelle Baptiste speak about Black farming heritage and I became a man obsessed I told myself the 47 000 in anonymous tax payments was guilt money compensation for what my family's company does to farmers like her I lied Every payment was a love letter to a woman I'd never met A promise to protect what she'd built A desperate attempt to keep her world intact while mine demanded I tear it apart Now I'm at her farm pretending to help while my mother's lawyers prepare to foreclose on Christmas Eve Noelle's suspicious of me but she still lets me close Close enough to

taste the coffee on her lips Close enough to learn how she sounds when I touch her in the hayloft Close enough to know that when she discovers the truth she ll never forgive me My mother says I m weak for falling for the enemy But Noelle Baptiste isn t the enemy she s my salvation And I ll burn down my entire billion dollar inheritance before I let MacReady Development touch one inch of her land Even if saving her means she ll hate me forever Two hearts Twenty eight days One impossible choice that will change everything *Charity & Champagne* N Viktoria,2025-10-04 What would you sacrifice for a love that wasn t supposed to exist MIRACLE They sent him to me as punishment A billionaire doing community service all designer suits and arrogance treating my life s work like it s beneath him I should hate Gabriel Sterling Should send him packing back to his penthouse and his trust fund But then I discover the truth he s been my anonymous donor for three years Funding Holly House Honoring the best friend I lost the half sister he never got to meet And when his hands touch mine when his mouth claims me in the darkness I forget every reason why falling for him is dangerous I create miracles for homeless families Perfect timing Supernatural intuition But I can t see how this ends without someone getting destroyed He says he ll choose me over his three billion dollar empire I say he s crazy He proves it by walking away from everything Now his racist mother wants me gone My board questions my judgment The media calls our love a scandal But when Gabriel touches me when he whispers that I m worth more than all his money God help me I believe him I m Miracle Foster I save families But can I save us GABRIEL I walked into Holly House expecting punishment Court ordered hours serving people I didn t understand in a world I d never touched Then I met her Miracle Foster the woman my dead sister loved like family The director who looks at me like I m just a man not a bank account The miracle worker whose gift defies explanation and whose body sets me on fire I ve been funding her charity in secret for three years trying to honor Angelica s memory But one look at Miracle and it s not about my sister anymore It s about the way she code switches between boardroom and community The way she creates impossible timing for desperate families The way she touches her locket when she s nervous and moans my name when I m inside her My mother threatens to destroy me The board votes me out I lose my CEO position my inheritance everything the Sterling name built over generations And I d do it again Every single time For her Because Miracle taught me that wealth isn t measured in billions It s measured in the way she looks at me like I m worthy of love despite everything I ve been In the families we serve together In the Christmas miracles we create through perfect timing and impossible hope I m Gabriel Sterling I used to be a billionaire Now I m just a man in love with a woman who makes me believe in magic THIS CHRISTMAS Two hundred families need miracles Two broken hearts need healing One impossible love will risk everything When a white billionaire falls for a Black nonprofit director society says it s wrong His family says it s unacceptable The media says it s scandal But between them It s fire It s faith It s the kind of love that transforms everything it touches Steamy encounters that will leave you breathless A hero who sacrifices billions for love A heroine with supernatural gifts and unbreakable strength And a Christmas romance so powerful you ll believe anything is possible Because the greatest miracle

isn't money or magic it's choosing love when the whole world says you shouldn't *Christmas With His Brother's Baby*
