

LETTER TO MY DAUGHTER

Dear Daughter,

This letter has taken an extraordinary time getting itself together. I have all along known that I wanted to tell you directly of some lessons I have learned and under what conditions I have learned them.

My life has been long, and believing that life loves the liver of it, I have dared to try many things, sometimes trembling, but daring, still. I have only included here events and lessons which I have found useful. I have not told how I have used the solutions, knowing that you are intelligent and creative and resourceful and you will use them as you see fit.

You will find in this book accounts of growing up, unexpected emergencies, a few poems, some light stories to make you laugh and some to make you meditate.

There have been people in my life who meant me well, taught me valuable lessons, and others who have meant me ill and, have given me ample notification that my world is not meant to be all peaches and cream.

I have made many mistakes and no doubt will make more before I die. When I have seen pain, when I have found that my ineptness has caused displeasure, I have learned to accept my responsibility and to forgive myself first, then to apologize to anyone injured by my misreckoning. Since I cannot un-live history, and repentance is all I can offer God, I have hopes that my sincere apologies were accepted.

You may not control all the events that happen to you, but you can decide not to be reduced by them. Try to be a rainbow in someone's cloud. Do not complain. Make every effort to change things you do not like. If you cannot make a change, change the way you have been thinking. You might find a new solution.

Letter To Daughter For Sorority Induction:

But It's Your Family . . . Sherrie Campbell, 2019-01-01 A psychologist offers a roadmap for those looking to break free of toxic family relationships and thrive in the aftermath Toxic family abuse is always two fold The first layer of abuse is the original poor treatment by toxic family members and the second is someone's denial of the ways in which abusers treat and harm them Loving someone doesn't always mean having a relationship with them just like forgiveness doesn't always mean reconciliation A significant part of healing comes with accepting that there are some relationships that are so poisonous that they destroy one's ability to be healthy and function best But It's Your Family is a remarkable account of what it means to cut ties to toxic family abuse and thrive in the aftermath Inside Dr Sherrie Campbell clarifies How parents adult children siblings grandparents and in laws can be toxic The difference between flawed and toxic family members Explaining the cutting of ties to children and others who may not understand Spiritual and religious views on forgiveness The definition of cutting ties and what No Contact actually means When readers are able to bring closure to those toxic relationships they give themselves the space to love those family members from a distance as fellow human beings with the knowledge that it is unwise to remain connected Readers learn how to love themselves in the process and fundamentally change their lives for the better
