Dear [Mr./Mrs./Ms.] [Hiring Manager's Name],

This letter is an application for the listed specialized position of Primary Care Physician at [Healthcare Facility Name]. I want to join your esteemed team since I have a Doctor of Medicine from [ABC Medical School] and [X] years of experience in clinical care and primary care administration.

I have had ample practice in diagnosing and managing both communicable and non-communicable diseases, including acute and chronic diseases. During my work in [Previous Employer], I dealt with patients who would use clinical knowledge to provide adequate treatment for patients. I was always passionate about EBM and PC, and these practices delivered high patient satisfaction and better health outcomes.

My major accomplishments-

- Handle many clients with an emphasis on primary, secondary, and tertiary care with positive changes in patient's health status and satisfaction levels.
- Successfully treated patients with chronic diseases and illnesses such as diabetes, hypertension, and asthma and managed to improve the treatment processes and outcomes.
- Organized and executed preventive care services, such as periodic check-ups, vaccines, and health promotion activities, to aid in the early detection of serious diseases.
- Execute protocol processes for managing the common main conditions to improve the practice's comprehensiveness and organizational structure.
- Ensured that patients received adequate and timely management of acute and emergency conditions to prevent and reduce adverse outcomes and subsequent hospitalizations.

I'd want to highlight [Healthcare Facility Name]'s approach to new care delivery methods. It would be a joy to serve your company, particularly in your noble mission of delivering great and comprehensive treatment.

I appreciate your consideration in shortlisting me for this opportunity. I am willing to discuss how my talents and experiences are relevant to your practice's needs.

Sincerely,  
[Your Name]
