David L. Hall, 2020-02-05 Twenty years ago God led me to the writings of the church fathers and then on a journey that changed my life I discovered the amazing spiritual depth throughout all the eras of the church and began to realize that I was settling for scraps when God had prepared a banquet This handbook was written as an aid to Christians from all traditions to help them hit the ground running to discover even greater depth and passion in their walk with Christ The Oxford Handbook of Christian Monasticism Bernice M. Kaczynski, 2020-09-29 The Handbook takes as its subject the complex phenomenon of Christian monasticism It addresses for the first time in one volume the multiple strands of Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism The essays in the book span a period of nearly two thousand years from late ancient times through the medieval and early modern eras on to the present day Taken together they offer not a narrative survey but rather a map of the vast terrain The intention of the Handbook is to provide a balance of some essential historical coverage with a representative sample of current thinking on monasticism It presents the work of both academic and monastic authors and the essays are best understood as a series of loosely linked episodes forming a long chain of enquiry and allowing for various points of view The authors are a diverse and international group who bring a wide range of critical perspectives to bear on pertinent themes and issues They indicate developing trends in their areas of specialisation The individual contributions and the volume as a whole set out an agenda for the future direction of monastic studies In today's world where there is increasing interest in all world monasticisms where scholars are adopting more capacious global approaches to their

investigations and where monks and nuns are casting a fresh eye on their ancient traditions this publication is especially timely     **Praying with the Church: Following Jesus Daily, Hourly, Today** Scot McKnight, 2013-09-01 Scot McKnight best selling author of The Jesus Creed invites readers to get closer to the heart of Jesus message by discovering the ancient rhythms of daily prayer at the heart of the early church This is the old path of praying as Jesus prayed McKnight explains and in that path we learn to pray along with the entire Church and not just by ourselves as individuals Praying with the Church is written for all Christians who desire to know more about the ancient devotional traditions of the Christian faith and to become involved in their renaissance today With his trademark style of getting right to the heart of theological concepts through practical witty and memorable examples from everyday life Scot invites readers to explore How Jesus prayed How the Psalms teach us to pray How Orthodox Christians pray How Roman Catholics pray How Anglicans pray How The Divine Hours of Phyllis Tickle teaches us to pray And how praying with the church is an essential part of spiritual formation For more information on Phyllis Tickle s Divine Hours click here     **The Eastern Orthodox Church, a Bibliography** Dean Timothy Andrews, 1957     The People of the Eastern Orthodox Churches, the Separated Churches of the East, and Other Slavs , 1913     **The Eastern Orthodox Prayer Book** Orthodox Eastern Church, 1949
