

PANASONIC UNIFIED COMMUNICATIONS SOLUTION

Panasonic Network Communication Platform brings together the power of the web, business applications and personal productivity to your desktop.

Panasonic's Network Communication Platform (KX-NCP) is an advanced communication solution designed to enable businesses to achieve unified communications by enhancing and streamlining office communications with presence-enriched productivity applications.

Facilitating more effective ways of communicating with both your employees and customers – the

KX-NCP allows easy access to a whole host of business communication applications with a choice of fixed, mobile and advanced touch screen IP terminals.

These include advanced digital phones, softphones, DECT wireless portable stations, as well as standard analogue extensions. In addition, integration with mobile phones allows mobile users and

remote workers to stay connected even while on the move.

Convergence ready – the KX-NCP provides innovative IP telephony features and functionality over both local office and broadband networks and supports cost effective SIP telephony services, helping businesses to reduce communication costs.
