 basic information about Adobe Photoshop CS6 as a latest graphics editing program by Adobe Systems This manual
 introduces the features in the Adobe Photoshop such as The Workspaces Toolbox and Palette Understanding layers Filters
 Image Editing and Drawing Tool *Adobe Photoshop CS6, Level 1* Faydra D. Fields,2013-01-01 H2O Courseware offers a
 less cluttered approach to group training and hands on learning because many students are often more concerned with the

how and not the why of what they are being trained to do The general consensus can be summed up in the statement I just want to do it not talk about doing it H2O stands for how to only and each lesson in this manual is a step by step guide on how to accomplish each project with only minimal explanations If you re one of those people who would like to know why you re doing this or that then those who own the manual also get unlimited access to video tutorials that duplicate each lesson from the written manual where the how and the why are explained simultaneously In a group setting the focus of H2O Courseware is on hands on learning with explanations of why offered by the instructor to students as needed and or as requested While H2O Courseware video tutorials are designed for a self paced environment and serve as reinforcement as students work through the lessons on their own In this Adobe Photoshop CS6 Level 1 training manual students will receive a majority hands on introduction to Photoshop exploring its workspace tools panels menu options through doing exercises to learn some of their potential uses
