this is an exploration of the present through the lens of the past We all know that the best way to study a foreign language is
to go to a country where it s spoken but can the same immersion method be applied to history How do interactions with
antique objects influence perceptions of the modern world From Victorian beauty regimes to nineteenth century bicycles
custard recipes to taxidermy experiments oil lamps to an ice box Sarah and Gabriel Chrisman decided to explore nineteenth
century culture and technologies from the inside out Even the deepest aspects of their lives became affected and the more
