

Dear Baby,

Welcome to this world and to this wonderful family. You were eagerly awaited by your parents, grandparents, great-grandparents, aunts, and uncles. Everyone wishes you all the best. You, little being, the visible embodiment of love, will enrich the lives of many, especially your parents. You will be something truly special, unique - like the stars for the sky, like Piglet for Winnie the Pooh, like your mother is for your father.

We, your uncle and aunt, wholeheartedly wish that your parents will always love you unconditionally and teach you about love. May they raise you with joy, imagination, patience, culture, and respect, passing on these virtues through experiences. We wish for you to find your place in this world and assert it with determination. May your parents understand you when your pockets are full of collected treasures, gathered out of curiosity. Or when you play in the mud, dance in the rain, or taste flowers. We wish for you to marvel at all the wonders that you will encounter - rainbows, snowflakes, butterflies, shooting stars, your reflection, and a thousand interesting things, as well as bright and positive thoughts, and courage.

You will always need this courage to assert yourself, voice your opinions, and also learn to say no. We wish for you to be curious about life and the world, to have keen eyes and an open heart. We look forward to walking a part of your journey with you, showing you some things, seeing your eyes filled with wonder, and listening to your first words. May you have a heart full of love and open, strong arms to give. And tolerance. Good health to ensure you continually surprise your parents with new challenges. Be curious, alert, honest, imaginative, humorous, and a happy child. From the bottom of our hearts, we are thrilled about your arrival.

Your aunt and uncle.
