suburban backyards no matter what their habitat what good birders have in common is a curiosity about the natural world and a desire to share it with others In these delightful essays each accompanied by an endearing drawing devoted birders reveal their passion to be fulfilling joyful exhilarating and maybe even contagious Contributors include many well known birders such as Richard Crossley Pete Dunne Kenn Kaufman Michael O'Brien Bill Thompson and Julie Zickefoose and a portion of the proceeds goes to the American Birding Association North America's largest membership organization for active birders
