Kalagnanam, 2022-03-15 This book combines the wisdom in ancient Hindu texts on dharma with the modern research on management to identify a set of principles that can aid business organizations in sustaining profitability As businesses look to act more responsibly in response to the negative impact they have had on people societies and the environment researchers are highlighting the changes that businesses must incorporate with a particular focus on ethics and values This book argues that a rapidly changing environment a solid foundation to guide the organization is critical Dharma a set of principles that holds things together or sustains life offers such a foundation Managing by Dharma provides business researchers with a framework to seamlessly evaluate and integrate the ethical and financial goals of business organizations **Inaugurate**

**Yourself** Parvat Singh, 2014-06-18 The book Inaugurate Yourself makes you aware of the fact that what can happen is only what is inside you in your own self already that time limit passes but time ever remains that by delegating ones responsibility one cannot become free from accountability that successful people do not just look for opportunities they create new opportunities that those who are successful are not angels after all they are human beings like you and me that success is not at the mercy of means that no work is special the way of doing it is special that the world does not make stars it is on a lookout for them that successful people go a step forward and pay attention to solutions that quality in itself is a source of publicity that the possibilities of being successful are always open that our desires get strength from our willpower that our fate is a reality your reality rather than a surprise that the present alone is our reality it is eternal it is its own reason **Connect**

**Ascent of the Thunder Dragon** Sasha Wakefield, 2026-01-13 Sasha Wakefield intertwines the life and legacy of Zhabdrung Ngawang Namgyal 1594 1651 with her own personal spiritual journey as she explores Bhutan's rich history. The seventeenth century was a pivotal time for the tiny but culturally vibrant kingdom of Bhutan, marked especially by the life of the influential political and spiritual leader Zhabdrung Ngawang Namgyal 1594 1651, including his remarkable past lives. Sasha Wakefield traces the life and profound spiritual accomplishment of this master in the context of her own spiritual journey from Australia to Bhutan. While unveiling the cultural and spiritual landscape of Bhutan, Wakefield delves into the fundamental Buddhist concepts of reincarnation, karma, bodhisattvas, buddhas, and enlightenment to underscore the significance of Zhabdrung's spiritual attainment, including reaching the tenth bhumi or level of a bodhisattva and deliberately choosing his own rebirth. During Zhabdrung's time as early nation builder of the kingdom and state of Bhutan, he faced adversity and attacks from adversaries but responded with meditation, diplomacy, and unwavering commitment to serve the people of Bhutan. Wakefield shows the nature of ritual and ceremony that are inherent in the history of the Bhutanese state, weaving in the verse texts of liturgies and praises for the offering ceremonies and consecrations that were central to establishing the Drukpa Kargyu Buddhist lineage in Bhutan and establishing Bhutan as a sovereign land.
