The Hugo, Nebula and World Fantasy Awards Howard DeVore, 1998 Science fiction fans have voted for the Hugo Awards for best science fiction almost every year since 1953 Science fiction professionals have presented the Nebula Awards to their peers since 1965 In all this time lists of winners have been widely available but the losers have usually been ignored In 1970 long time fan Howard DeVore started publishing a complete listing of Hugo and Nebula awards including the stories that were nominated but did not win The fact that stories were nominated implied that they had considerable merit Mr DeVore felt that a complete listing would let fans compare them The International Fantasy Awards may have inspired the Hugos so he added them DeVore brought out new editions year by year publishing and distributing them himself with the aid of a number of devoted science fiction fans By 1998 the task had grown to the point where Mr DeVore happily relinquished the job to Advent This edition includes introductory and historical essays explaining how each award got started and how nominees and winners are chosen plus commentary in the yearly listings [Orbit 5](#) Ul's treehouse,

Clear And Convincing Proof Kate Wilhelm, 2014-08-01 When attorney Barbara Holloway takes a case there s no middle ground it s her rules her way Now as she finds herself at the helm of a complex defence involving the murder of a man everybody loathed all she needs is what she most lacks clear and convincing proof The Kelso McIvey rehabilitation center is a place of hope and healing for its patients and for the dedicated volunteers who work there For beautiful Annie McIvey in particular it s a sanctuary from her cruel husband and for directors Naomi and Greg Boardman it s the culmination of a lifelong dream But it s a dream about to be destroyed by Annie s husband David A brilliant surgeon an implacable misogynist a man whose ego rivals his skill with a scalpel David McIvey plans to close the doors on the centre s good work and good people replacing it with a state of the art surgery with him at the helm So when David s body is discovered outside

the clinic early one morning it s no surprise to anyone especially Barbara Holloway that somebody dared to stop him in cold blood Now Barbara must use her razor sharp instincts and take no prisoners attitude to defend the two members of the clinic about to stand trial for his murder Annie McIvey and Darren Halvord are accused of having an affair and plotting to kill David but Barbara believes a more complex motive lies at the heart of the crime In order to expose it she is forced to explore the darkest hiding place the soul beneath the skin **The Price Of Silence** Kate Wilhelm,2013-09-01 In dire need of a job Todd

Fielding accepts the offer to work at The Brindle Times even if she has to move to the lackluster town of Brindle As she settles into her new home Todd is fully prepared to adapt to the boredom of small town life but her preconceptions of Brindle are completely shattered when a local girl disappears Even more shocking to Todd is the town s sheer indifference to the incident No one not even the police appears particularly concerned When Todd looks deeper into the story she discovers that five other girls have run away from Brindle under strange circumstances over the past twenty years As she sets out to uncover the history of a town that has cloaked itself in secrecy for far too long evidence of manipulation and cold blooded murder begin to unravel And Todd may be the next victim to pay the deadly price of silence *Rediscovery: Science Fiction*
