Irony Of Democracy 15th Edition:

American Political Culture Michael Shally-Jensen, Mark J. Rozell, Ted G. Jelen, 2015-04-28 This all encompassing encyclopedia provides a broad perspective on U S politics culture and society but also goes beyond the facts to consider the myths ideals and values that help shape and define the nation Demonstrating that political culture is equally rooted in public events internal debates and historical experiences this unique three volume encyclopedia examines an exceptionally broad range of factors shaping modern American politics including popular belief political action and the institutions of power and authority Readers will see how political culture is shaped by the attitudes opinions and behaviors of Americans and how it affects those things in return The set also addresses the issue of American exceptionalism and examines the nation s place in the world both historically and in the 21st century Essays cover pressing matters like congressional gridlock energy policy abortion politics campaign finance Supreme Court rulings immigration crime and punishment and globalization Social and cultural issues such as religion war inequality and privacy rights are discussed as well Perhaps most intriguingly the encyclopedia surveys the fierce ongoing debate between different political camps over the nation s historical development its present identity and its future course By exploring both fact and mythology the work will enable students to form a broad yet nuanced understanding of the full range of forces and issues affecting and affected by the political process

Citizen-Centered Public Policy Making in Turkey Volkan Göçoğlu, Naci Karkin, 2023-08-29 This edited volume discusses direct citizen participation and public policymaking in Turkey Written by a diverse group of scholars and practitioners this book advances the field of public policy by critically examining whether and how direct citizen participation may add value to government business Structurally the book focuses on the core topics of public administration the generation of public services the design and implementation of public policies citizens and networks new business models and local perspectives Using Turkey as a case study this volume fills a gap in the literature and will appeal to researchers interested in public policy in the MENA context

The Irony of Democracy: An Uncommon Introduction to American Politics Thomas Dye, Harmon Zeigler, Louis Schubert, 2011-01-01 The question at the center of the 15th edition of THE IRONY OF DEMOCRACY is How democratic is American society While most American government texts address politics from a pluralist perspective this text approaches the subject by addressing the theme of elitism and contrasting it with democratic theory and modern pluralist theory As a result this text helps students understand why the U S government works as it does Important Notice Media content referenced within the product description or the product text may not be available in the ebook version [Patterns](#)
