The three hundred targeted test questions have been created specifically for the EA Exam testing window that runs from May 1 2023 to February 29 2024. This year's edition includes coverage of the key tax legislation that was passed in 2022: The Inflation Reduction Act of 2022 which was signed into law on August 16 2022. The bill includes dozens of expanded or extended tax credits and additional funding for the IRS. The SECURE Act 2.0 was signed into law on December 29 2022 as part of the Consolidated Appropriations Act of 2023. This bill added more than ninety new retirement plan provisions that affect individuals and businesses. Most of these provisions do not go into effect until 2023 but there are some provisions that are retroactive and affect the 2022 tax year. Using this workbook you can challenge yourself by taking three full practice exams for the Businesses section of the EA exam. The test questions are different from the ones in the PassKey study guides so you can have a more true to life exam experience. All of the answers are clearly explained in the answer section.
