

Crying Wolf and Other Tales

"Help! A wolf is eating my sheep!"

What happens when a bored shepherd boy lies to the people in his village – and then he later tells the truth?

What do a man and his wife do when their goose lays golden eggs? And what can two travellers learn from a bear in the woods?

These three Greek tales teach us important truths about people today.

Aesop was born in about 620 BCE, probably in a town on the Black
Sea coast of Thrace, now part of Bulgaria. He became famous
in his lifetime as a teller of 'fables'. A fable is a short story with
a moral message – often with animal characters. After Aesop's
death in 564 BCE different books of his fables appeared. There
are many stories about Aesop's life, but we don't know which of
them are true. Some stories say that Aesop was a slave in Samos,
but became a free man because his owner loved his fables. Other
stories say that Aesop died in the sea after the people of Delphi
