Library Space Design Detail Guide:

Library Space Planning David Vinjamuri, 2019 The interior design language of the 21st century is the language of retail and libraries must be fluent to be successful Most patrons are unaware of the variety of services and offerings that their local library can provide Rightly or wrongly library patrons expect robust merchandising easily accessible spaces and self directed way finding Library Space Planning A PLA Guide is a brief and to the point guide that will help you to understand these ideals and recreate them in your library In addition you will learn how to improve the functionality of your space in the short medium and long term and discover how libraries can use the ideas herein to aid patrons in discovery discernment and delivery **IFLA Library Building Guidelines: Developments & Reflections** Karen Latimer, Hellen Niegaard, 2008-11-03

The information society and the information age are changing library services as well as library premises This raises questions about what needs to be considered when planning and designing new library buildings in order to achieve attractive efficient and future oriented new library spaces This new publication provides information and guidelines for the building planning process whether you are planning a new public or academic library building It reflects on fundamental issues on new development trends and on the planning process The library building process is seen from both the library manager s perspective as well as that of the architect and designer Issues covered include what to consider when investigating the need for space library design from a marketing viewpoint green management and sustainability relating to library buildings and a layman s guide to reading plans This publication and the IFLA guidelines provided are not seen as a traditional set of recommendations to be rigidly adhered to since this would be unrealistic in a fast changing and global context Rather library managers and architects should read them in order to inform their thinking on key issues and establish a planning programme They must then relate them to their own countries and circumstances by making the relevant local adjustments *Guide to Reference in Essential General Reference and Library Science Sources* Jo Bell

Whitlatch, Susan E. Seering, 2014-08-06 Ideal for public school and academic libraries looking to freshen up their reference collection as well as for LIS students and instructors conducting research this resource collects the cream of the crop sources of general reference and library science information **Small Libraries, Big Impact** Yunfei Du, 2016-06-13

This valuable book shows how to get your community behind your library by making it an essential part of community life and demonstrating its benefit to all members of the community Evolving technologies and the changing social landscape have put pressure on public libraries to shift their service values and methods in order to maintain funding opportunities The challenge is substantial library managers today must adopt a new mindset in order to perform a broad spectrum of activities and attract new users who are not traditional library patrons **Small Libraries, Big Impact** How to Better Serve Your Community in the Digital Age helps readers to meet the challenge of serving diverse users via a community centered library Based on an intensive review of literature on serving library users in smaller libraries as well as the author s own research

findings gained from interviewing 55 library directors this book provides conceptual and practical tools for serving 21st century users gaining wider community support programming dynamic events and planning rewarding technology learning Beyond supplying actionable advice the book will also review relevant concepts and theoretical frameworks such as community outreach and partnership social justice and social inclusion technology and social transition cultural diversity and the digital divide entrepreneurship outreach best practices for marketing libraries and library space design Library Space Planning and Design Alexander H.
