**Nanny State** Giselle Renarde, When Summer moves in with her mother s friend she expects to be treated like an adult Fat chance Victoria exerts control over every aspect of her life protectively demanding Summer come straight home after university classes Everything changes the day Victoria catches Summer watching some very kinky lesbian content The landlady soon becomes Nanny coaxing Summer into the big bed for play time The unlikely couple embarks upon a series of naughty adventures but what happens when Summer wants to include a girl her own age in their relationship Will Nanny punish her wayward charge or accept another girl into their uncommon household *Nanny State Large Print Edition* Giselle Renarde,2020-01-30 When Summer moves in with a family friend she expects to be treated like an adult Fat chance Victoria exerts control over every aspect of her life protectively setting parental controls on the television and demanding Summer come straight home after her university classes Everything changes the day Victoria catches Summer watching some very kinky lesbian material online The landlady soon becomes the Nanny coaxing Summer into the big bed for play time The unlikely couple embarks upon a series of naughty adventures from discipline to diapers But what happens when Summer wants to include a girl her own age Will Nanny punish the wayward girl or accept another charge into their uncommon household **Nanny State** Giselle Renarde,2013-11-26 Summer is certain her landlady s as prim as they come until Nanny Victoria invites her into the master suite for a warm bedtime snack The unlikely pair begins a journey of fetish exploration together but when Summer brings a friend into this world of kink will Nanny punish the girls or welcome another charge This title contains graphic descriptions of lesbian sex age play spankings discipline domination and other fetish activities that may be considered objectionable to some readers Praise for Nanny State I loved NANNY STATE NANNY STATE was just so incredibly nasty Lisabet Sarai author of RAW SILKEXCERPT Victoria The lights were off when I got back to the house very unusual because my strict landlady Victoria was pretty much always around She d converted the extra bedroom into an office years before I came out here for my final two years of university and that s where she worked as some sort of typist I never asked for details about what she did for a living I didn t really care I know that sounds mean but Victoria was hard to sympathize with At times she was unbearably controlling She demanded I come home promptly after class and I always resented the way she d stand in the living room with one eye on her watch asking What time do you call this Summer Victoria was an old friend of my mom s but the longer I stayed with her the more she acted like she owned me like I was a little kid in need of protection Who did she think she was bossing me around in that passive aggressive way of hers Victoria Are you up here I climbed the stairs turning on every light as I went As much as I complained about Victoria breathing down my neck every hour of the day I hated being alone in the house It gave me the creeps If I could afford it I d get a nice little apartment of my own but that would mean finding a job After getting fired from my last two restaurant gigs I couldn t get a reference to save my life Anyway until I finished university it was better to focus my time on writing papers and studying for exams That s

a big part of the reason I transferred schools and came out here to live Back home I got way too distracted by hot friends and good times In fact the thing I missed most about my freedom was all the meaningless sex Under Victoria s roof I couldn t get away with shit School and home bedroom door open at all times She even had the parental block set on the TV so I couldn t watch anything with mature themes My poor pussy was craving attention and the most I could give it was a little stroke in the shower Even then Victoria timed me as if I was wasting water After five minutes she d be knocking on the door hollering What are you doing in there I stood at the top of the stairs gazing into open empty rooms Victoria No response That settled it she wasn t home No way I was going to miss this opportunity to do something naughty Racing into my bedroom I shut the door and pulled my laptop out of my bag My heart thundered in my ears while a thick heat pulsed low in my belly spreading all the way down my thighs I couldn t wait Gimme the good stuff I said as I clicked on my favourite porn site It had a feature where you could search out what you liked best I typed in lesbian orgasms     [Lesbians Lick Butt](#) Giselle Renarde,1900 If you re looking for butt licking lesbians you ve come to the right place Clarice has a problem only an angel can resolve A vegan baker fulfils Marissa s smokiest fantasies Melanie and her domme humiliate an old friend after a class reunion These girls are ready to lick butt and take names Are you ready to join them Enjoy some kinky lesbian fetish erotica by Giselle Renarde
