Naomi In The Living Room And Other Short Plays:

Naomi in the Living Room & Other Short Plays Christopher Durang, 1998 THE STORIES NAOMI IN THE LIVING ROOM Naomi when visited by John and Johnna her son and daughter in law is alternately friendly and insulting Johnna copes her best but when John changes his clothes to look like Johnna things start to unravel Naomi *Naomi in the Living Room and Other Short Plays* Christopher Durang, 1988 Contemporary Gay American Poets and Playwrights Emmanuel S. Nelson, 2003-06-30 Gay presence is nothing new to American verse and theater Homoerotic themes are discernible in American poetry as early as the 19th century and identifiably gay characters appeared on the American stage more than 70 years ago But aside from a few notable exceptions gay artists of earlier generations felt compelled to avoid sexual candor in their writings Conversely most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work This reference is a guide to their creative achievements Alphabetically arranged entries present 62 contemporary gay American poets and dramatists While the majority of included writers are younger artists who came of age in the post Stonewall U S some are older authors whose work has continued or persisted into recent decades A number of these writers are well known including Edward Albee Harvey Fierstein and Allen Ginsberg Others such as Alan Bowne Timothy Liu and Robert O Hara merit wider recognition Each entry is written by an expert contributor and includes a biography a discussion of major works and themes an overview of the author's critical reception and primary and secondary bibliographies *New Play and Musical Supplement to the Complete Catalogue*, 2004 DPS: Catalogue of New Plays 2009-2010, 1/2/3/4 *For the Show* Lewis W. Heniford, 1995 An invaluable guide to small cast one act plays describing more than 2 200 plays *Replay: Classic Modern Drama Reimagined* Toby Zinman, 2014-11-20 *Replay Classic Modern Drama Reimagined* spans over a century of great theatre to explore how iconic plays have been adapted and versioned by later writers to reflect or dissect the contemporary zeitgeist Starting with *A Doll's House* Ibsen's much reprised masterpiece of marital relations from 1879 Toby Zinman explores what made the play so controversial and shocking in its day before tracing how later reimaginings have reworked Ibsen's original The spine of plays then includes such landmark works as Strindberg's *Miss Julie* Oscar Wilde's comic *The Importance of Being Earnest* Chekhov's *Three Sisters* and *Uncle Vanya* Hansberry's *A Raisin in the Sun* the Rattigan centenary revivals Thornton Wilder's *Our Town* ultimately arriving at Beckett's *Waiting for Godot* Taking each modern play as the starting point Zinman explores the diverse renderings and reworkings by subsequent playwrights and artists including prominent directors and their controversial productions as well as acknowledging reworkings in film opera and ballet Through the course of this groundbreaking study we discover not only how theatrical styles have changed but how society's attitude towards politics religion money gender sexuality and race have radically altered over the course of the century In turn *Replay* reveals how theatre can serve as both a reflection of our times and a provocation to them **Complete Catalogue of Plays** Dramatists Play Service, Inc, 2003 Dps, *The Facts on*
