Irish Signs And Notices The Funniest Collection Yet:

Irish Signs and Notices Des MacHale, Desmond MacHale, 2010 What is it about a sign or a notice that often provokes hilarity The message is condensed space is at a premium and the sign or notice often loses its meaning or indeed acquires a whole new meaning sometimes unintended and in many delicious cases quite rude To put this book together Des MacHale has scoured public toilets not literally hotels churches shops and supermarkets garage forecourts car stickers undertakers surprisingly funny pubs and bars buses trains factories schools and colleges farms newspapers sports clubs and indeed just about anywhere signs and notices are displayed in Ireland The results are hilarious and add yet another dimension to Irish humour already known to be among the best in the world
