# THE STORM

Ben and Jason are super excited because tonight is the first night their parents are leaving them alone at home to fend for themselves. "You're old enough now boys. It's time for you to learn some responsibility," they had said as they left for dinner. The boys couldn't wait to have the house to themselves. They had big plans to raid the pantry, run around the house, and stay up really late.

The boys were just settling down on the couch with a bag of popcorn when they heard a loud rumbling. It sounded like a jet plane was passing over the house. They looked out the window, just as a large flash of lightning lit up the sky! Without warning, huge drops of rain started pelting down on the windows. The boys jumped back, startled. Large hailstones started smashing onto the tin roof. The sound was deafening!

The boys ran into the middle of the room, shaking with fear. A strong wind started blowing around the house, rattling the windows and shaking the walls. Ben and Jason started to feel like the whole house was going to collapse on top of them. They stood together, trembling, listening to the sound of the storm all around them.

Then suddenly, it was quiet. Not a sound. The storm was over! The boys sat on the couch, too frightened to move as they waited anxiously for their parents to come home. So much for their exciting night home alone.
