2.) Recruitment

It has been the goal of the school to provide the highest quality of education. To ensure its attainment, the school needs competent employees to manage its daily operations and achieve its goals. The school selects its employees through written examination, careful interviews, personality test, and follow up references. Employment is based on the applicant's qualifications, consistent with the requirements of the available position. Careful consideration is given to the ability, experience, training, and attitude.

1. Recruitment of personnel is primarily based on the need of the department for services which cannot be fulfilled by full time members of the department
2. This need is determined by the Head of Office and is reported to the Head of the Human Resource Development Department.
3. Search for personnel is done through the following:
