Zara lives with her parents in London. They have come to Bangladesh to visit Zara's aunt and uncle. She is very close to her cousin Mita. Both the families have visited many interesting places together in Bangladesh. It was great fun. Then they decided that they would visit some places outside Bangladesh too. They decided to go to Thailand. But Mita's parents were too busy with their work, so they could not go. However, Mita was going with them.

Mita, Zara and her parents are at Hazrat Shahjalal International Airport. They are waiting in the lounge. Mita is very excited. This is her first time to board a plane. They are flying by Bangladesh Biman. Mita is hoping to have a great time in Thailand. As they wait, the two cousins start planning what they would do once they reach Bangkok. Mita's uncle brings forms for all of them to fill in before going through the immigration. He gives one to Mita and says, "You have to give some information about yourself in the form. The immigration officer will check your passport and stamp it. And then you are ready to travel." Mita, Zara and her parents start filling in the forms.

Jsc English Question Paper 2013 December:

Rethinking Judicial Jurisdiction in Private International Law Milana Karayanidi, 2020-02-20 This book explores the theory and practice of judicial jurisdiction within the field of private international law It offers a revised look at values justifying the power of courts to hear and decide cross border disputes and demonstrates that a re conceptualisation of jurisdiction is needed Rather than deriving from territorial power of states jurisdiction in civil and commercial cross border matters ought to be driven by party autonomy This autonomy can be limited by certain considerations of equality and critical state sovereign interests The book applies this normative view to the existing rules of jurisdiction in the European Union and the Russian Federation These regimes are chosen due to their unique positions towards values in private international law and contrasting societal norms that generate and accommodate these values Notwithstanding disparate cultural and political ideas these regimes reveal a surprising level of consistency when it comes to enforcement of party autonomy There is nevertheless room for improvement The book demonstrates to scholars policy makers and lawmakers that jurisdiction should be re centred around the interests of private actors and proposes ways to improve the current rules **Chitty on**
