June 2013 Latin Gcse Past Papers:

Learning Latin and Greek from Antiquity to the Present Elizabeth P. Archibald, William Brockliss, Jonathan Gnoza, 2015-02-26 This volume provides a unique overview of the broad historical geographical and social range of Latin and Greek as second languages It elucidates the techniques of Latin and Greek instruction across time and place and the contrasting socio political circumstances that contributed to and resulted from this remarkably enduring field of study Providing a counterweight to previous studies that have focused only on the experience of elite learners the chapters explore dialogues between center and periphery between pedagogical conservatism and societal change between government and the governed In addition a number of chapters address the experience of female learners who have often been excluded from or marginalized by earlier scholarship
