Japan at War Haruko Taya Cook, Theodore F. Cook, 1992-01-01 Recounts the conflict and documents the huge range of experiences by Japanese soldiers laborers journalists artists musicians and women who lived through World War II **Japan at War: an Oral History, (by) Haruko Taya Cook and Theodore F. Cook** Haruko Taya Cook, 1992 Sacred War Theodore F. Cook, Haruko Taya Cook, 2024-08-06 The first effort to reconstruct the history of the Pacific War exclusively from internal Japanese sources from the renowned historians A magisterial work of political social and military history Sacred War sets a new standard for understanding the events that forever transformed America Japan and the world Celebrated historians Theodore F and Haruko Taya Cook whose oral history of the Pacific war was called one of the essential books about World War II Philadelphia Inquirer now offer a shattering new history of Japan's long war in the Pacific told exclusively from the perspective of the Japanese Sacred War draws on a rich trove of documents much of it first person and almost all of it previously inaccessible to Western scholars Based on painstaking research here is World War II through the eyes of the Japanese themselves ordinary people on the home front soldiers on the front lines and the military and political leadership who drove Japan to near annihilation by 1945 Sacred War reveals both the internal logic of an authoritarian society bent on victory at all costs including in the final twelve months of the war over one million civilian deaths as well as heart rending accounts of the unfolding conflict from the disease ridden beaches on Guadalcanal to the burnt out streets of Hiroshima following the nuclear attacks by the United States that brought the war to its devastating end **The Allied Occupation and Japan's Economic Miracle** Bowen C. Dees, 2013-10-23 There is virtually nothing until the arrival of this study addressing the significance of the enormous contributions in science and technology towards the realization of Japan's economic miracle during the occupation period Describes the Scientific and Technical Division of MacArthur's GHQ

Nanking 1937 Robert Sabella, Feifei Li, David Liu, 2015-06-03 In recent years the international community has begun to scrutinize and in many cases condemn the atrocities that took place at Nanking in late 1937 This is all part of a larger worldwide movement in which both nations and multinational groups are attempting to reach closure regarding past atrocities and inhumanities As represented by the contributors to this book these activities have an importance reaching far beyond aggressors or victims beyond admission or vindication but rather are a search for the common causes of all human atrocities and for solutions that would set humanity on a path toward a more peaceful and harmonious international community *Japan Now*, 1994 *MacArthur's Jungle War* Stephen R. Taaffe, 1998 His book tells not only how victory was gained through a combination of technology tactics and army navy cooperation but also how the New Guinea campaign exemplified the strategic differences that plagued the Pacific War since many high ranking officers considered it a diversionary tactic rather than a key offensive *Modern War on Stage and Screen* Wolfgang Görtzschacher, Holger Klein, 1997 Japan's Imperial Army Edward J. Drea, 2009 The first comprehensive English language history of the Japanese

imperial army based largely on Japanese language sources Traces the origins evolution and impact of the army as an engine of Japan s regional and global ambitions and as a catalyst for the militarization of its homeland Too Young the Heroes George Lince,1997 A memoir of a teenaged Marine fighting in the Pacific theater in WWII recounting battles and the horrors of war the painful transformation of young men into fighting adults and the compassion and generosity that helped him to begin the process of healing fifty years after the war For general readers Annotation copyrighted by Book News Inc Portland OR **The British National Bibliography** Arthur James Wells,2002 **Library Journal** ,1995 **The Fletcher Forum of World Affairs** ,1996 *Mad Wives and Island Dreams* Philip Gabriel,J. Philip Gabriel,1999 This text presents a searching study of Shimao Toshio and his work It is not only a thorough assessment of his literary legacy but also aims to consider the broader issues relating to the emergence and nature of the postwar Japanese sense of identity The book contextualizes Toshio s dream stories as a literary expression of wartime trauma and argues that Shimao s powerful narration of guilt and victimization challenges standard readings of Japanese war literature **The Weekly Japan Digest** ,1993 1945 in Europe and Asia Gerhard Krebs,Christian Oberländer,1997 **Naval War College Review** Naval War College (U.S.),1996 **The Journal of Military History** ,2006 MacArthur's Airman Thomas E. Griffith,1998 Thomas Griffith offers a critical assessment of George C Kenney s numerous contributions to MacArthur s war efforts He depicts Kenney as a staunch proponent of airpower s ability to shape the outcome of military engagement and a commander who shared MacArthur s strategic vision **Naval War College Review** ,1996
