narcoleptic but she doesn't actually fall asleep during these episodes. When she passes out, she slides into somebody else's mind and experiences the world through that person's eyes. She slid into her sister as she cheated on a math test, into a teacher sneaking a drink before class. She learned the worst about a supposed friend when she slid into her during a school dance. But nothing could have prepared Vee for what happens one October night when she slides into the mind of someone holding a bloody knife standing over Sophie's slashed body. Vee desperately wishes she could share her secret but who would believe her? It sounds so crazy that she can't bring herself to tell her best friend Rollins, let alone the police. Even if she could confide in Rollins, he has been acting distant lately, especially now that she's been spending more time with Zane. Enmeshed in a terrifying web of secrets, lies, and danger and with no one to turn to, Vee must find a way to unmask the killer before he or she strikes again.
