

YOUR FIRST DAY

Welcome to your first Minecraft world! There's so much to explore, but we'll get to that later. Right now, you only have 15 minutes of daylight before night falls, and the monsters come out. Don't worry – if you follow these steps, you'll be fine!

1

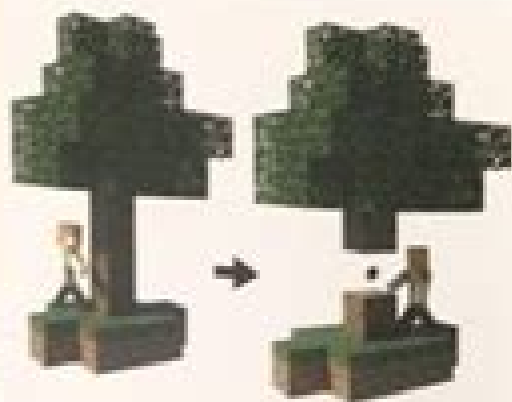

FIND A TREE

As a beginner, you need some way to "sleep" (this isn't a button).

2

COLLECT A BLOCK

After a moment, the block you were going to use "breaks". You'll see a smaller version of it floating just above the ground. Pick it up with your hand.

WELL DONE

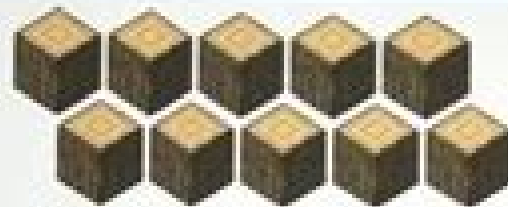

You've just collected your first block! It's a "log" (this isn't a button). You can use it to build a "house" (this isn't a button).

3

KEEP PICKING

Let's collect 10 more blocks. Starting at the point of block that you can reach, then find another tree and so on.

4

OPEN YOUR INVENTORY

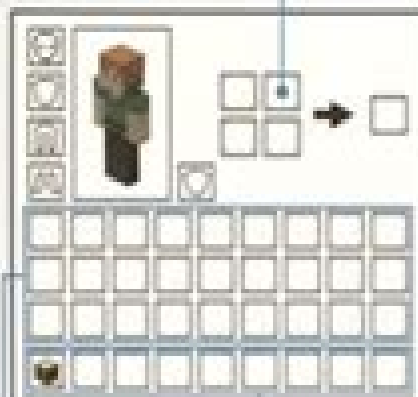

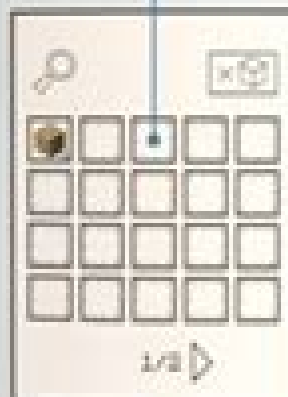

Refer back to pages 6 & 7 to check how to open your inventory on your device.

EMPTYING A SLOT

This shows you what you can make with your materials. If something is in a red square, you don't have all the ingredients.

EMPTY TOOL BAR

This 2 x 2 crafting grid is where you can make simple items like tools and blocks before you have a crafting table.

INVENTORY

Use these 27 handy slots for storing the various things you might need when you're exploring, like food and spare weapons.

HOTBAR

These 9 slots are easy to access, which makes them ideal for storing the items you use most often and can't afford to lose.

Minecraft Ultimate Beginners Handbook Unofficial Guides To Minecraft 1
