Talented Children and Adults Jane Piirto, 2021-09-03 This third edition of the widely popular *Talented Children and Adults: Their Development and Education* has been revised to include the most up to date information on talent development. Written by a nationally recognized author in the field of gifted education, this textbook explores the factors that encourage talent development from birth through adulthood, with specific chapters focusing on children from birth to age 2, elementary and middle school students, high school and college students, and adults. *Talented Children and Adults* includes information for identifying talented students, developing programs for these students, identifying creativity, and creating appropriate curricula. The book also addresses counseling and guidance for talented students as well as underserved populations. Each chapter begins with a vignette, and case studies from students and educators in the field are included at the end of each chapter. This book is a must read for anyone who works with talented children and adults. *Who's who in Finance and Business*, 2004
