will receive a 10% discount on every volume To place your standing order please call 800 755 1105 in the U S or 402 472

3581 outside the U S The most widely acclaimed reference series in education and psychology the Mental Measurements

Yearbooks are designed to assist professionals in selecting and using standardized tests The series initiated in 1938 provides

factual information critical reviews and comprehensive bibliographic references on the construction use and validity of all

tests published in English The objectives of the Mental Measurements Yearbooks have remained essentially the same since

the publication of the series These objectives include provision to test users of factual information on all known tests

published as separates in the English speaking countries of the world candidly critical test reviews written for the MMYs by

qualified professional people representing a variety of viewpoints excerpts of the critical portions of test reviews which have

been published in professional journals comprehensive bibliographies for specific tests of references which have been

examined for their relevance to the particular tests listing of books on measurements and closely related fields as well as

excerpts of evaluative statements from reviews of these books in professional journals Each yearbook is a unique publication

supplementing rather than supplanting the previous volumes The Seventh Mental Measurements Yearbook is a two volume

reference work presenting Information on 1 157 tests 181 excerpted journal reviews 798 original reviews by 439 specialists

12 539 references on the construction use and validity of specific tests A bibliography of 664 books on testing with 554

reviews they received A directory of 443 test and book publishers Comprehensive author title and scanning index
