## **Life Orientation September 2010 Memorandum:**

**Where Has Social Justice Gone?** Emmanuelle Barozet, Ivan Sainsaulieu, Régis Cortesero, David Mélo, 2022-07-01 This book uses survey data in hot spots around the globe to analyse various models of social justice particularly the principle of equality from a pragmatic perspective Starting with ordinary actors social movements and concrete contexts the authors question foundations of social and political democracy in our times They focus on how social actors deal with the principles of justice and judgments of justice at work and in their social lives The book suggests that the increase in social inequalities in recent decades contrasts with the blurring of the aims of social justice At a time when the reconsideration of politics largely depends on its relevance to and aspirations for social justice the authors of this book question contemporary developments by illustrating its variety according to specific historical institutional social and organizational contexts The book will be useful to students and scholars in the social sciences especially those interested in moral questions regarding social justice from an empirical and practical point of view **Lady Gaga and the Remaking of Celebrity Culture** Amber L.

Davisson, 2013-07-30 Lady Gaga represents both the height of celebrity and a disruption of the norms surrounding the social position This book charts the way the pop star manages the celebrity persona in her relationships with her fans the development of her gender identity her parodying of other celebrities and her navigation of the legal and economic system that make up the music industry Much of Gaga's ability to maintain ownership of her identity comes from her early decisions to characterize herself as a performance artist For Gaga this means living the persona 24 hours a day seven days a week Gaga mimicks celebrity life in a self conscious way that makes the mimicry apparent Her performance of celebrity is an on going project despite what she may claim she was not born this way The excess of her celebrity is magnified by her title Mother Monster Historically media narratives of celebrities monsters and mothers have centered on uncontrolled excesses that must be contained Gaga adopts these personas but refuses to submit to the containment that comes with each

Instructors considering this book for use in a course may request an examination copy here **Rights for Others** Barbara Oomen, 2013-11-28 Rights for Others is an empirical study of what happens when international human rights are applied domestically in The Netherlands It tracks recent debates in Dutch society on citizenship and the rights of immigrants and analyses the shift from the perception of human rights as a foreign policy concern to the slow processes of homecoming in what has traditionally been a left wing society but now includes many more right wing political parties Adopting an interdisciplinary approach Oomen combines insights from law sociology and anthropology to explain how rights gain significance in framing social and political discussions The book provides comprehensive coverage on relevant constitutional law legal culture and rights realization as well as discussing case material on human rights education polarization socio economic rights domestic violence and the rights of minorities This is an invaluable contribution to the global fields of human rights and socio legal studies for scholars and researchers **Historic Documents of 2011** CQ Press, Heather

Kerrigan,2012-07-17 The Historic Documents series makes primary source research easy by presenting in one volume key excerpts from documents about the important events of each year for the United States and the world Each volume includes approximately 70 events with over 100 documents from the previous year from official or other influential reports and surveys to speeches from leaders and opinion makers to court cases legislation testimony and much more Historic Documents is renowned for the well written and informative background history and context it provides for each document Each volume begins with an insightful essay that sets the year s events in context and each document is preceded by a comprehensive introduction that provides background information on the event Full source citations are provided and links to Web addresses containing complete documents are given if available Readers have easy access to material through a detailed thematic table of contents and a cumulative five year index that directs them to related material in earlier volumes Featured documents in Historic Documents of 2011 cover topics including Osama Bin Laden s death Arab Spring European financial crisis American financial deficit Japanese earthquake and tsunami independence for South Sudan royal wedding Wall Street protests final space shuttle mission end of Don t Ask Don t Tell protests at the Wisconsin legislature over collective bargaining
