There's something about girls who disappear from view that gnaws at Ingrid, that makes her care more than she should, that makes her lose perspective and take unnecessary risks. It's Ingrid's first time in London; she's only in town to train the Metropolitan Police, so she needs some local knowledge. She is reluctantly paired with a suave, good-looking, and arrogant secret intelligence operative who leads her through the city's back alleys and corridors of power. He's charismatic and dynamic, but when his methods become dangerously unconventional, the two of them clash in more ways than one. FRESH DOUBT Madison Faber, a brilliant psychology student at a prestigious London college, has discovered her friend's body in a pool of blood. Now she's in police custody, being questioned for murder. Protesting her innocence, Faber fears the killer will target her next and persuades Ingrid to hunt him down. But the deeper

Ingrid digs the deadlier the case gets And when she uncovers a sinister group operating within the psychology department Ingrid is in far more danger than she realizes Up against the clock and disobeying strict FBI protocols Ingrid's obsession to bring the killer to justice takes her far beyond the law So far she may never get back KILL PLAN A banker is found dead at his desk in the City of London Then a heavily tattooed body washes up in the Thames Now someone is after Ingrid At first these crimes seem unrelated but they are all the work of an audacious serial killer working on both sides of the Atlantic Special Agent Ingrid Skyberg the FBI's criminal investigator in London is one of the toughest agents ever to come out of Quantico She's resilient resourceful and a bit of a renegade but she's never been tested like this before With no help from her colleagues at the US embassy Ingrid is running out of time to unmask the killer before he strikes again But she can only do that if she can stay alive DEEP HURT Ingrid Skyberg joined the FBI to bring one man to justice the man who abducted her best friend when she was fourteen It's been eighteen years and she's never stopped looking for him or for the friend who has never been seen since Today's the day she's finally going to get some answers But before she gets the phone call she's always dreaded Ingrid the FBI's criminal investigator in London receives orders from the Pentagon to track down a pilot who has gone AWOL from a US Air Force base in rural Suffolk Accused of murdering his baby daughter he's now abducted his eight year old son and gone on the run Ingrid is forced to team up with an obnoxious military police officer who's more concerned with the military's reputation than finding the pilot But with his PTSD making him unstable Ingrid must act fast to stop the pilot do something no one will forgive him for A terrifying turn of events lands Ingrid in the greatest danger just as haunting memories from the past threaten to engulf her PLUS 4 gripping short stories If you love strong female heroines and thrillers with a twist the Ingrid Skyberg Thrillers series is just what you've been waiting for **Fresh Doubt** Eva
