

Greenland or right-whale, he is the best existing authority. But Scoresby knew nothing and says nothing of the great sperm whale, compared with which the Greenland whale is almost unworthy mentioning. And here he it said, that the Greenland whale is an usurper upon the throne of the seas. He is not even by any means the largest of the whales. Yet, owing to the long priority of his claims, and the profound ignorance which, till some seventy years back, invested the then fabulous or utterly unknown sperm-whale, and which ignorance to this present day still reigns in all but some few scientific retreats and whale-poets, this usurpation has been every way complete. Reference to nearly all the Leviathanic allusions in the great poets of past days, will satisfy you that the Greenland whale, without one rival, was to them the monarch of the seas. But the time has at last come for a new proclamation. This is Charing Cross; hear ye! good people all,—the Greenland whale is deposed,—the great sperm whale now reigneth!

There are only two books in being which at all pretend to put the living sperm whale before you, and at the same time, in the remotest degree succeed in the attempt. Those books are Beale's and Bennett's; both in their time surgeons to English South-Sea whale-ships, and both exact and reliable men. The original matter touching the sperm whale to be found in their volumes is necessarily small; but so far as it goes, it is of excellent quality, though

Four Shades of Gray Simon Peter Rowberry, 2022-04-05 This first book length analysis of Amazon's Kindle explores the platform's technological, bibliographical and social impact on publishing. Four Shades of Gray offers the first book length analysis of Amazon's Kindle and its impact on publishing. Simon Peter Rowberry recounts how Amazon built the infrastructure for a new generation of digital publications, then considers the consequences of having a single company control the direction of the publishing industry. Exploring the platform from the perspectives of technology, texts and users, he shows how the Kindle challenges traditional notions of platforms as discrete entities. He argues that Amazon's influence extends beyond disruptive technology to embed itself in all aspects of the publishing trade, yet despite industry pushback, he says the Kindle has had a positive influence on publishing. Rowberry documents the first decade of the Kindle with case studies of Kindle Popular Highlights, an account of the digitization of books published after 1922, and a discussion of how Amazon's patent filings reflect a shift in priorities. Rowberry argues that while it was initially convenient for the book trade to outsource ebook development to Amazon, doing so has had adverse consequences for publishers in the mid and long term, limiting opportunities for developing an inclusive and forward thinking digital platform. While it has forced publishers to embrace digital forms, the Kindle has also empowered some previously marginalized readerships. Although it is still too early to judge the long term impact of ebooks compared with that of the older technologies of clay tablets, the printing press and offset printing, the shockwaves of the Kindle continue to shape publishing. [Taking Your Kindle Fire to the Max](#) Mark

Rollins, 2012-06-11 You've just purchased a Kindle Fire. How do you set it up? How do you secure it? What can you do with it? In [Taking Your Kindle Fire to the Max](#), you'll learn how to set up email, social networking, videos, music, eBooks, contacts, calendar and navigation. Once you've discovered how to set up your accounts, check your email and connect to the internet, you learn advanced moves that will make your Kindle Fire use similar to your laptop or desktop computing, granting you an unlimited mobile life.

iPad Survival Guide: Step-by-Step User Guide for Apple iPad: Getting Started, Downloading FREE eBooks, Using eMail, Photos and Videos, and Surfing Web Toly K, 2011-01-01 The iPad Survival Guide organizes the wealth of knowledge about the iPad into one place where it can be easily accessed and navigated for quick reference. Unlike the official iPad manual, the survival guide is not written like a book in paragraph form. Instead, every instruction is broken down into clear and concise steps. The iPad Survival Guide provides useful information not discussed in the iPad manual, such as tips and tricks, hidden features, troubleshooting advice, as well as advice on how to solve various Wi-Fi issues. You will also learn how to download FREE games and FREE eBooks, how to PRINT right from your iPad, and how to make VOICE CALLS with the use of a simple application. Whereas the official iPad manual is stagnant, this guide goes above and beyond by discussing recent known issues and solutions that may be currently available. This information is constantly revised for a complete up-to-date manual. This iPad guide includes: Getting Started, Button Layout, Before First Use, Navigating the Screens.
