Debates in History Teaching Ian Davies, 2017-02-16 Now in its second edition *Debates in History Teaching* remains at the cutting edge of history education. It has been fully updated to take into account the latest developments in policy research and professional practice. With further exploration into the major issues that history teachers encounter in their daily professional lives, it provides fresh guidance for thinking and practice for teachers within the UK and beyond. Written by a range of experts in history education, chapters cover all the key issues needed for clear thinking and excellent professional action. This book will enable you to reach informed judgements and argue your point of view with deeper theoretical knowledge and understanding. *Debates* include: What is happening today in history education? What is the purpose of history teaching? What do history teachers need to know? What are the key trends and issues in international contexts? What is the role of evidence in history teaching and learning? How should you make use of ICT in your lessons? Should moral learning be an aim of history education? How should history learning be assessed? *Debates in History Teaching* remains essential reading for any student or practising teacher engaged in initial training, continuing professional development or Master's level study.

**The Routledge Companion to Women and Musical Leadership** Laura Hamer, Helen Julia Minors, 2024-08-13 *The Routledge Companion to Women and Musical Leadership: The Nineteenth Century and Beyond* provides a comprehensive exploration of women's participation in musical leadership from the nineteenth century to the present. Global in scope, with contributors from over thirty countries, this book reveals the wide range of ways in which women have taken leadership roles across musical genres and contexts, uncovers new histories, and considers the challenges that women continue to face. The volume addresses timely issues in the era of movements such as MeToo, digital feminisms, and the resurgent global feminist movements. Its multidisciplinary chapters represent a wide range of methodologies, with historical musicology, models drawn from ethnomusicology, analysis, philosophy, cultural studies, and practice research all informing the book. Including almost fifty chapters written by both researchers and practitioners in the field, it covers themes including Historical Perspectives, Conductors and Impresarios, Women's Practices in Music Education, Performance and the Music Industries, Faith and Spirituality, Worship and Sacred Musical Practices, Advocacy, Collectives, and Grass Roots Activism. *The Routledge Companion to Women and Musical Leadership: The Nineteenth Century and Beyond* draws together both new perspectives from early career researchers and contributions from established world-leading scholars. It promotes academic/practitioner dialogue by bringing contributions from both fields together, represents alternative models of women in musical leadership, celebrates the work done by women leaders, and shows how women challenge accepted notions of gendered roles. Offering a comprehensive overview of the varied forms of women's musical leadership, this volume is a vital resource for all scholars of women in music, as well as professionals in the music industries and music education today.
