101 Whiskies to Try Before You Die (Revised & Updated) Ian Buxton,2011-08-04 Revised and updated in 2013 101 Whiskies to Try Before You Die is a whisky guide with a difference It is not an awards list It is not a list of the 101 best whiskies in the world in the opinion of a self appointed whisky guru It is simply a guide to the 101 whiskies that enthusiasts must seek out and try in order to complete their whisky education Avoiding the deliberately obscure the ridiculously limited and the absurdly expensive whisky expert Ian Buxton recommends an eclectic selection of old favourites stellar newcomers and mystifyingly unknown drams that simply have to be drunk The book decodes the marketing hype and gets straight to the point whether from India America Sweden Ireland Japan or the hills glens and islands of Scotland here are the 101 whiskies that you really want Try them before you die Slainte

101 World Whiskies to Try Before You Die Ian Buxton,2012-07-05 101 World Whiskies To Try Before You Die is the companion guide to 2010 s 101 Whiskies To Try Before You Die Ian Buxton again eschews the obvious whiskies and recommends another 101 whiskies that he believes every whisky lover should taste In Ian Buxton s new collection of whisky recommendations he has cast his net wider He includes not only whiskies from the established whisky producing countries but also many newcomers The book includes whiskies from Austria Belgium Canada the Czech Republic England India Ireland Japan The Netherlands Scotland Taiwan USA and Wales All the whiskies included are both affordable and accessible Ian Buxton does not believe in collecting whiskies or investing in whisky He believes in tasting and enjoying the huge range of whiskies that are available The book includes single malts and blends and provocatively a few renegade suggestions that are bound to offend purists
