**Jazz Sketches** Jon King, 2014-11-08 Jazz Sketches provides a fresh view with a compendium of the author's first hand encounters as a jazz fan. Subtitled Musical musings on the mother lode, the book light heartedly pays tribute to the author's favorite music and musicians. A former US Army bandsman, King came close to pursuing his musical dream but fell short as revealed in the book. Ironical details fuel King's 50 year trip. Read it and smile along. Or send it as a jazz greeting card. The experiences are personal and worth sharing. Roger Atkinson JAM Kansas City Jazz Ambassadors Magazine      **Neil Young** Daniel Durchholz, Gary Graff, 2012-11-05 DIV Since his first recordings with Buffalo Springfield in 1967, Neil Young has been described as brilliant, cantankerous, confounding, ruthless, mercurial, and vexing. Regardless of his profound musical influence and his status as a critical favorite, cannot be denied. Now the first illustrated biography to span Young's 40 plus years as a recording and touring musician, and nearly as many forays into divergent musical genres, some wags might say is updated through 2012. DIV From Young's earliest days in the Canadian folk and rock scenes through his tenures with Buffalo Springfield and CSN Y and on to his varied solo career backed by bands including the Stray Gators, the Ducks, the Bluenotes, Booker T, the MGs, Pearl Jam, and of course Crazy Horse, every aspect of Young's long and varied career is covered. The book features the work of rock photographers from the 1960s to the present, as well as concert posters and ephemera from around the world, including picture sleeves, LPs, ticket stubs, pins, T-shirts, backstage passes, and more. Notable musicians from around the world chip in with commentary, and the book is further complemented with a discography and sidebars examining topics like Young's involvement with Lionel toy trains, of which he is a part owner, Farm Aid, and San Francisco's Bridge School.
