

"You asked for this, you deserve. I'll kill you. Your tricks won't help you. I carry a turtle stone."

Cersei smiled. The reputation of turtle stone was as mistaken as it was popular. But the witcher was not going to lose his earnings on spells much less expose his silver sword to contact with Cersei's blade. He dove under the whirling blade and, with the heel of his hand and his silver sword cut off, hit him in the temple.

VI

Cersei quickly regained consciousness and looked around in the total darkness. He noticed that he was tied up. He did not see Cersei standing right beside him. But he realised where he was and let out a pained, seething howl.

"Keep quiet," said the witcher. "Otherwise you'll lose her ear before her time."
