Devotional Comments: being a series of Scriptural Expositions, with a Prayer annexed to each subject; designed as an aid in private, or, for family worship Mrs. Maria STEVENS,1828 *The Christian Advocate* ,1916 *Nectar #9* Babaji Bob Kindler, Lex Hixon, Tilopa, Father Abbot Joseph Homick, Lama Surya Das, OP Sharma, Annapurna Sarada, 2002-09-02 The Fall issue of Nectar of Nondual Truth is graced by articles from teachers and practitioners of the different religious traditions of the world all offering knowledge and approbation of their especial path and ideal And since application is more beneficial than approbation the various verses and views expressed cogently herein should compel us to implement the important lessons and teachings into our everyday existence not merely as transitory experiences but as transforming transmission As God exists both with eyes open and eyes closed so too do all walks of life abound with the possibility of divine communion As is said in our Vedanta tradition To Labor is to pray to conquer is to renounce to have and to hold is as stern a trust as to quit and to avoid Life itself is religion The farmyard and the field the workshop the study the studio are as true and fit scenes for the meeting of God with man as the cell of a monk or the door of a temple Art science and religion are but three different ways of expressing a single truth *Trusting God to the Promised Land* Carl Barrett,2025-12-04 Are today s times of uncertainty causing stress beyond all measures Are the worries and anxieties of today consuming life to its breaking point With the constant battles daily confronting all people how should these ongoing barriers be combatted Readers must ask if

they are seeking more inner peace and strength to cope with the unknown if they truly desire more confidence and enthusiasm in their Christian walk Bottom line are they yearning to grow and mature in their spiritual life to help them overcome all of life s tribulations on this side of heaven If this is their genuine search as a follower of Jesus Christ one crucial component may be missing in life which will help to stay focused and grounded on the path to the future kingdom Trusting God This book will challenge followers of Christ to ensure that their complete trust in God is reflected in daily life If believers have genuinely been saved the evidence of their trust and obedience to biblical truths should be displayed especially during the most intense trials This journey will help Christians become more accountable in their walk with the Lord by applying the truths of Scripture in their everyday lives
