**Disruptive Women of Literature** Eleanore Gardner, 2024-07-08 Disruptive Women of Literature Rooting for the Antiheroine critically examines the representation of the literary antiheroine in contemporary Gothic and crime thriller novels and traces her emergence from the deviant women of Greek mythology and Shakespeare to the twenty first century It explores how the antiheroine shifts dependent on genre time period and format demonstrating that she is capable of both challenging and reaffirming problematic ideologies surrounding women power violence sexuality and motherhood Eleanore Gardner argues that the antiheroine is almost always defined by her experience of a patriarchal trauma and must therefore

navigate her identity differently and more complexly than her antihero counterpart The author examines a broad range of texts to understand the antiheroine's fluidity her liminal and abject existence and what these suggest about cultural anxieties surrounding transgressive women
