

Comping

Comping is a term which is short for accompaniment. It usually refers to short rhythm patterns such as this:

. These comp patterns can be combined and are commonly used for playing accompaniment in jazz guitar.

Written below are many comp patterns which will work for 4/4, 3/4, 6/8, 12/8, 5/4, and 7/4. Each pattern takes one or two measures to complete and can be used to accompany any music in those meters. Once you have selected a pattern to use, you can use the same pattern in each measure of the piece, or combine some of the patterns from the same meter. Hold any chord and practice each pattern. Be careful to use the correct strum direction and count the rhythm. Except for Latin rhythms, these patterns should be played using swing rhythm. If you don't know how to play swing rhythms, refer to the section in this book on page 11.
