NOTE: Crawler loader parts not listed above are identical to those of the 1010 Crawler Tractor. Therefore they are not included in this catalog. See PC-727 for this parts information.

Items shown in capital letters designate whole goods and must be listed on separate order from replacement parts.

## AN EXPLANATION OF SERIAL NUMBER LISTING

NOTE: Serial number plates on 1010 Crawler Loaders bear the number 810 as a basic prefix portion of the serial number. This is not a machine model number and should not be used to identify the loader.

Serial number or year information given on any page is applicable only to parts listed and illustrated on that page.

When the parentheses include only the dash..... ( - )  
the part is used on all machines except as noted in the description column.

When a serial number or year appears before the dash ..... (00000- )  
the part was introduced beginning with that serial number or year and is still being used.

When a serial number or year appears after the dash ..... ( -00000)  
the part was used up to and including that serial number or year but was not used after that serial number or year.

When serial numbers or years appear both before and after the dash ..... (00000-00000)  
the part was used beginning with the first serial number or year but was not used after the second serial number or year.
