Coming to the Edge of the Circle Nikki Bado, 2005-08-04 Imagine yourself sitting on the cool damp earth surrounded by deep night sky and fields full of fireflies anticipating the ritual of initiation that you are about to undergo Suddenly you hear the sounds of far off singing and chanting drums booming rattles snaking voices raised in harmony The casting of the Circle is complete You are led to the edge of the Circle where Death your challenge is waiting for you With the passwords of perfect love and perfect trust you enter Death s realm The Guardians of the four quarters purify you and you are finally reborn into the Circle as a newly made Witch Coming to the Edge of the Circle offers an ethnographic study of the initiation ritual practiced by one coven of Witches located in Ohio As a High Priestess within the coven as well as a scholar of religion Nikki Bado is in a unique position to contribute to our understanding of this ceremony and the tradition to which it belongs Bado s analysis of this coven s initiation ceremony offers an important challenge to the commonly accepted model of rites of passage Rather than a single linear event initiation is deeply embedded within a total process of becoming a Witch in practice and in community with others Coming to the Edge of the Circle expands our concept of initiation while giving us insight into one coven s practice of Wicca An important addition to Ritual Studies it also introduces readers to the contemporary nature religion variously called Wicca Witchcraft the Old Religion or the Craft

The Best of Emerge Magazine George E. Curry, Brenda L. Webber, Sylvester Monroe, Les Payne, 2009-02-19 The 1990s African Americans achieved more influence and faced more explosive issues than ever before One word captured those times One magazine expressed them Emerge In those ten years with an impressive circulation of 170 000 and more than forty national awards to its credit Emerge became a serious part of the American mainstream Time hailed its uncompromising voice The Washington Post declared that Emerge gets better with each issue Then after nearly a decade Emerge magazine closed its

doors Now for the first time here s a collection of the finest articles from a publication that changed the face of African American news From the Clarence Thomas nomination to the Bill Clinton impeachment from the life of Louis Farrakhan to the death of Betty Shabazz from reparations for slavery to the rise of blacks on Wall Street the most important people topics and turning points of this remarkable period are featured in incisive articles by first rate writers Emerge may have ended with the millennium but as this incomparable volume proves the quality of its coverage is still unequaled the extent of its impact still emerging Stirring tribute uncanny time capsule riveting read The Best of Emerge Magazine is also the best of American journalism *Bulletin* ,1991 *The Missouri Review* ,2012 **Understanding Adjustment and Behavior** Kurt Haas,1970 **Behavior Modification** Raymond G. Miltenberger,2004 BEHAVIOR MODIFICATION PRINCIPLES AND PRACTICE THIRD EDITION helps students master the principles and concepts of behavior modification before they move on to the procedures The author uses a precise step by step scientific approach to explain human behavior using numerous case studies and interesting examples to help illustrate the key principles Each concept is presented explained and clarified by discussing pertinent research and is then brought into focus with examples showing how each behavioral principle can be applied to everyday life This approach gives students a chance to understand WHY they might use a particular procedure before they actually use it Current scholarship engaging authorship ample graphs and illustrations and a clear organization make Miltenberger s text very accessible even for students with no background in psychology Professors and students find the Applications and Misapplications of Behavioral Principles especially helpful as these end of chapter features give readers a feel for the concepts they ve just explored **Public Documents of Massachusetts** Massachusetts,1904 **Attention** Carl H.
