

BA ADA Part 1 English Poems Notes

1. LEISURE

Q1: We do not have time to appreciate beauty of life and nature. Why?

Q2: What are the main ideas explained in the poem Leisure?

Q3: What does poet want to convey in his poem?

Q4: Leisure is criticism on the life of modern man. Discuss.

Q5: What are some of the simple delights we miss in our rushed life?

Answer:

William Davies' poetry is marked with truth and simplicity in idea as well as in language. This poem is the open criticism on modern man's living-style. Modern man of machine age himself has become machine. He is passing his days and nights in doing different jobs but without enjoying pleasure and beauties of natural world.

There is negligence in his attitude towards beautiful scenes of nature and attractive actions of a charming woman. His life is worse than animals which have time to enjoy themselves with the pleasing natural sights.

"What is this life if full of care
We have no time to stand and stare"

He passes through forests but does not give attention towards various activities of the residents of animal world. He neglects to soothe his eyes by watching a smiling face of an attractive woman. The mechanical occupation has deprived people of beauties of life and nature.

To conclude the whole topic it would not be wrong to say that modern man's life is very miserable as well as pitiable due to his own dull and non-aesthetic activities.
