Led Zeppelin Stairway To Heaven:

Led Zeppelin Richard Cole, Richard Trubo, 2012 *Stairway To Heaven* Richard Cole, Richard Trubo, 2024-03-19 This account of Led Zeppelin's decadent life on the road by their longtime tour manager dishes up the real dirt as only an insider's report can. Kirkus Reviews: No one knew Led Zeppelin like Richard Cole. The band's tour manager for more than a decade, Cole was there when they burst onto the music scene, achieved cult status, cut platinum records, and transformed popular music. Second only to the Beatles in sales for years, Led Zeppelin was rock's premier group. But unlike the boys from Liverpool, the excitement of this band's music was matched by the fever pitch of their antics on and off the stage. In hotel rooms and stadiums, in a customized private Boeing 707 jet and country estates, Richard Cole saw it all and tells it all in this close-up, down and dirty, no holds barred account that records the highs, the lows, and the occasional in-betweens. This revised edition includes updates on the band members' lives and careers, which may be a little quieter now, but their songs remain the same.

Led Zeppelin: The 'Tight But Loose' Files Dave Lewis, 2010-03-04 The long-awaited sequel to Zeppelin expert Dave Lewis' acclaimed first edition, *Led Zeppelin: A Celebration*, this new book on the legendary band includes exclusive interviews, analysis of concerts both during and after the Zeppelin era, and detailed accounts of important turning points in Led Zeppelin's career. Chapters include the recording of *Led Zeppelin IV* and their appearances at Earls Court in 1975 and Knebworth in 1979. It also includes the 'Tight But Loose' interviews with Peter Grant and John Paul Jones, as well as collaborations between Page and Plant in the 90s. With a foreword by bass player John Paul Jones, color and black and white photos. *Led Zeppelin FAQ* George Case, 2011-10-01 In this exhaustive and insightful reference text, rock writer and cultural critic George Case details the key names, dates, figures, and features of one of the biggest and most mythologized rock and roll groups of all time, Led Zeppelin. Here finally are the answers to the puzzles that have haunted fans for over four decades: puzzles such as the meaning of Led Zep's enigmatic album covers, the truth about leader Jimmy Page's involvement with the occult, a breakdown of the sometimes murky roots of their greatest songs, firm data on their musical instruments, live performances, and studio productions, and sordid specifics of the band's infamously debauched private lives. But here too is a deeply reflective analysis of why Led Zeppelin's music has endured as long as it has, and of how Led Zeppelin's mystique has only grown in the years since their official disbanding. Placing the group in the context of their time and place, Case scrupulously compares and contrasts their achievements with those of their influences, rivals, and followers. *Led Zeppelin FAQ* is not only an indispensable listener's companion to a classic rock act, but a considered history of rock and roll as a business, an art form, and a worldwide social phenomenon. *Who Did It First?* Bob Leszczak, 2014-07-10 Everybody has to start somewhere. Businessmen start on the ground floor and try to work their way up the corporate ladder. Baseball players bide their time in the minor leagues, wishing for an opportunity to move up and play in the majors. Musical compositions aren't very different: some songs just don't climb the charts the first time they're recorded. However, with perseverance, the ideal singer, the right chemistry, impeccable

timing vigorous promotion and a little luck these songs can become very famous So writes Bob Leszczak in the opening pages of *Who Did It First Great Rock and Roll Cover Songs and Their Original Artists* In this third and final volume to the *Who Did It First* series readers explore the hidden history of the most famous indeed legendary rock songs and standards Did you know that the Wild Ones had a Wild Thing before the Troggs Were you aware that it took a second shot for Double Shot of My Baby s Love to make the charts Had you heard that Guy Villari and the Regents dated Barbara Ann five years before the Beach Boys Were you privy to the fact that there was Hanky Panky going on with Ellie Greenwich and the Raindrops as well as the Summits before Tommy James and the Shondells made the song a number 1 classic Some of the information contained within these pages will shock rattle and roll you You may fancy yourself a music expert but this third and last in a series of titles devoted to the story of great songs and their revival as great covers is filled with eye openers In many instances one s eyes will open even wider as a result of the list of cover artists with Paul Anka s remake of Nirvana s Smells like Teen Spirit leading the pack *Who Did It First Great Rock and Roll Cover Songs and Their Original Artists* is the perfect playlist builder So whether quizzing friends at a party answering a radio station contest or just satisfying an insatiable curiosity to know who really did do it first this work is a must have
