Dyer, 2006-06-30 **Our Lady of KIBEHO** Immaculée Ilibagiza, 2008-11-28 No matter what your race religion political affiliation or personal belief system you will be inspired by *Our Lady of Kibeho* a true story of the power of faith and the great potential of forgiveness John Fund columnist for *The Wall Street Journal* Thirteen years before the bloody 1994 genocide that swept across Rwanda and left more than a million people dead the Virgin Mary and Jesus Christ appeared to eight young people in the remote village of Kibeho Through these visionaries Mary and Jesus warned of the looming holocaust which they assured could be averted if Rwandans opened their hearts to God and embraced His love Much like what happened at similar sites such as F tima and Lourdes the messengers of Kibeho were at first mocked and disbelieved But as miracle after miracle occurred in the tiny village tens of thousands of Rwandans journeyed to Kibeho to behold the apparitions For years countless onlookers watched as the Mother and Son of God spoke through the eight seers about God s love sending messages that they insisted were meant not only for Rwandans but for the entire world to hear Mary also sent messages to government and church leaders to instruct them how to end the ethnic hatred simmering in their country She warned them that Rwanda would become a river of blood a land of unspeakable

carnage if the hatred of the people was not quickly quelled by love Some leaders listened but very few believed the prophetic and apocalyptic warnings tragically came true during 100 horrifying days of savage bloodletting and mass murder After the genocide and two decades of rigorous investigation Our Lady of Kibeho became the first and only Vatican approved Marian that is related to the Virgin Mary site in all of Africa But the story still remains largely unknown Now Immacul e Ilibagiza plans to change all that She made many pilgrimages to Kibeho both before and after the holocaust personally witnessed true miracles and spoke with a number of the visionaries themselves What she s discovered will deeply touch your heart [Left to Tell](#) Immaculée Ilibagiza, Steve Erwin, 2014-04-07 Immaculee Ilibagiza grew up in a country she loved surrounded by a family she cherished But in 1994 her idyllic world was ripped apart as Rwanda descended into a bloody genocide This is the story of this remarkable young woman s journey through the darkness of genocide **God's Word, Your World!**

Autobiography is a long established literary modality of self exposure with commanding works such as Augustine's *Confessions* Rousseau's book of the same title and Salvador Dalí's paradoxical reformulation of that title in his *Unspeakable Confessions* Like all genres with a distinguished career autobiography has elicited a fair amount of critical and theoretical reflection Classic works by Kate Hamburger and Philippe Lejeune in the 1960s and 70s articulated distinctions and similarities between fiction and the genre of personal declaration Especially since Foucault's seminal essay on *Self Writing* self production through writing has become more versatile gaining a broader range of expression diversifying its social function and colonizing new media of representation For this reason it seems appropriate to speak of life writing as a concept that includes but is not limited to classic autobiography Awareness of language's performativity permits us to read life writing texts not as a record but as the space where the self is realized or in some instances de-realized Such texts can build identity but they can also contest ascribed identity by producing alternative or disjointed scenarios of identification And they not only relate to the present but may also act upon the past by virtue of their retrospective effects in the confluence of narrator and witness *The Ambiguous Space*
