Letter Of Welcome To Catechists:

Creative Ideas for Catechists Ruth Ann Rost, 1997-08 Rost takes us into the delightful dimension of creative catechetics with its powerful impact on children's faith learning. She first leads us in an exploration of our own creativity, our sense of prayer, and our own sense of discipleship. She then suggests ways to enliven the gathering space using the children's five senses to help open them to these rich faith experiences. She offers approaches to the critical factors in preparation, presentation, and procedure that make for successful empowerment of the children's faith learning. She also includes scores of practical ideas for involving primary and middle grade children in making prayer, helping them express their unity with God through prayer. Finally, she discusses the many resources essential to our own spiritual formation which must go hand in hand with that of unfolding a vibrant faith life in children. An excellent resource to inspire, encourage, and sensibly guide catechetical ministry as it is meant to be: joy-filled, revitalizing, and life impacting.

The Screwtape Letters and the Catechism Marlon De La Torre, Ph.D., 2024-04-01 All of us are faced with the daily onslaught of sin and temptation. We are all involved in a spiritual battle to keep our souls united with Christ so we can attain heaven. *The Screwtape Letters* and the Catechism brings together two wonderful and significant resources that can help us to grow in spiritual courage. Engaging the Catechism of the Catholic Church from a new perspective against the backdrop of C. S. Lewis' classic *The Screwtape Letters*, this book will help you to recognize temptation and engage in the battle against sin. Following Lewis and the Catechism, you will learn how to use the teachings of Christ to outwit the evil one. In this book, each chapter of *The Screwtape Letters* is cross-referenced with the Catechism. By examining the dialogue between the demons Wormwood and Screwtape, we can apply Screwtape's lessons on temptation to our daily lives. The Catechism provides sound and reasonable explanations of the Catholic Faith, and these explanations debunk the methods of Screwtape. C. S. Lewis masterfully invites us into the diabolical world of *Screwtape* and Wormwood and the ever-present battle between good and evil. The Catechism, on the other hand, masterfully reveals the teachings of Jesus Christ as a living gift of the Church that shows us the love of God for his children. This is a wonderfully creative, practical, and inspired book. Dr. De La Torre invites us to look anew at C. S. Lewis' classic work on the wiles of the enemy, augments it with rich insights from the Catechism of the Catholic Church, and makes it all easily applicable to our daily lives. Scripture, Lewis, the Catechism, prayer, settle in for a feast. Fr. John Riccardo, Executive Director of ACTS XXIX. Dr. De La Torre's work *The Screwtape Letters and the Catechism* is both timely and engaging. In an era in which secularism is rampant and belief in the diabolical is waning, De La Torre utilizes the work of C. S. Lewis to reawaken Christians to a dark reality that must be opposed through growth in the virtues and the spiritual life. His creative use of the Catechism of the Catholic Church not only offers support for his theological arguments but also demonstrates how a catechetical text can be used to evangelize and further the mission of proclaiming the joy of the Gospel. Stay sober and alert. The devil is prowling like a roaring lion, waiting to devour you. Resist him, solid in your faith. This creative and inspiring work

is a tool not only for discussion and meditation but also for resisting the devil and putting him to flight Most Reverend Earl K Fernandes Bishop of Columbus It s been said that the greatest trick of the devil is convincing the world he doesn t exist Based on the state of culture society not to mention increasing challenges in the Church it s easy to believe that the devil has achieved even more success than the Houdinis and Copperfields combined But as Dr Marlon so beautifully details in *The Screwtape Letters* and the Catechism the devil s tricks are no competition for the Truth of Christ and Catholicism Eventually the evil one s empty promises leave us searching for and desiring the only thing that satisfies a relationship with Jesus within the one holy and apostolic faith Teresa Tomeo syndicated Catholic talk show host author of *Beyond Sunday Becoming* a 24 7 Catholic Reading C S Lewis s *The Screwtape Letters* was an important formative experience for me as a young adult Catholic I only wish I could have had this book to read alongside it That s because as a Catholic who was just starting to understand my need for constant conversion I could recognize in *Screwtape* s letters the areas of my life where my Wormwood was succeeding but I didn t have any clue what weapons I had from the Church to fight back Dr Marlon De La Torre has done a great service to Catholics and all Christians by providing this companion field guide for spiritual warfare against those who prowl about the world seeking the ruin of our souls Anna Mitchell Co host and Producer of the *Son Rise Morning Show* on EWTN Radio **Talks on the Catechism** Anna M.
