Based on the critical conversations between education liturgy sociology and theology this book suggests an alternative eucharistic pedagogy for the Presbyterian Church of Korea by reforming eucharistic and curricular practices with attention to students specific local contexts This process includes the formulation of the definition of the new eucharistic pedagogy the reconceptualization of concepts regarding the eucharistic pedagogy and five steps as pedagogical strategies for a new eucharistic pedagogy for the Presbyterian Church of Korea including pedagogical guidelines for teachers and students This book will open the door for further educational and liturgical discussions of the work of contextualization in churches around the world Even though this study investigates a contextual pedagogy limited to the PCK this task needs attention and study in a larger context beyond the PCK The gospel is the worldwide truth that cannot be limited to a certain culture but becomes incarnated into each local culture Therefore this kind of contextual investigation between the gospel and culture will not be optional but imperative to all churches Select Notes on the International Sunday School Lessons Wilbur Moorehead Smith,1925 **Teaching Students to Decode the World** Chris Sperry,Cyndy Scheibe,2022-03-23

In our media saturated environment how can we teach students to distinguish true statements from those that are false misleading or manipulative How can we help them develop the skills needed to identify biases and stereotypes determine credibility of sources and analyze their own thinking and its effect on their perceptions In Teaching Students to Decode the World authors Chris Sperry and Cyndy Scheibe tackle these questions as they introduce readers to constructivist media decoding CMD a specific way to lead students through a question based analysis of media materials including print and digital documents videos and films social media posts advertisements and other formats with an emphasis on critical thinking and collaboration Drawing from their decades of experience as teachers consultants and media literacy advocates the authors explain how to Develop and facilitate CMD activities in the classroom and in virtual teaching environments Implement CMD across the curriculum at all grade levels Connect CMD with educational approaches such as project based learning social emotional learning and antiracist education Incorporate CMD into assessments and Promote CMD as a districtwide initiative This comprehensive guide explains the theoretical foundations for CMD and offers dozens of real life examples of its implementation and its powerful impact on students and teachers Equipped with CMD skills students will be better able to navigate a complex media landscape participate in a democratic society and become productive citizens
