

Congruent and Similar Figures

Decide whether the pair of figures are congruent, similar, or neither.

Step 1: Does one of the
triangles

Step 2: Lay the triangles over
the top of the other triangle. If
the triangles match exactly, the
figures are congruent. If not,
the triangles are not congruent.
The triangles are not in

Step 3: Use a protractor to
measure both angles. If the
angle measures of both angles
are the same, the figures
are similar. If not, the triangles
are not similar. The triangles are in

If figures don't match exactly or their angle measures are not the same, they are neither similar nor congruent.

Decide whether the figures in each pair are congruent, similar, or neither.
You may use tracing paper, a ruler, or a protractor.

Larson, 1995 *The Library Collaboration and Flexible Scheduling Toolkit* Andria C. Donnelly, 2015-03-19 Appropriate for
experienced elementary librarians as well as students in school library preparation programs this powerful book explains the
advantages of utilizing a flexible schedule with collaboration as compared to a fixed schedule without collaboration The aptly
titled *The Library Collaboration and Flexible Scheduling Toolkit Everything You Need to Know to Get Started* takes readers
step by step through the process of considering collaboration as a method to deliver library services Authored by an
experienced elementary librarian and author for *School Library Monthly* and *School Library Connection* the text begins by
explaining the relevant research and underscoring the importance of being able to articulate the meaning of the research to
library stakeholders Next readers learn how to gain support from administration and to train the staff in effective
collaboration to impact student achievement The book provides a complete answer to the complex question that many
librarians and librarians in training have How do I go about putting collaboration and a flexible library schedule into place in
my library Specific methods and solutions for handling problems that may come up such as ways to win over a reluctant staff
or what to do in situations where a library assistant is not available are provided to lend the author s real world experience to
the challenges that the librarian might encounter in undertaking collaboration **Houghton Mifflin Math Central**, 1999
