Let The Lover Be English Edition:

Victorian King James Version of the New Testament: A "Selection" for Lovers of Elizabethan and Victorian Literature

Dave Armstrong, 2014-07-15 Many revisions of the King James Authorized Bible of 1611 exist even revisions of revisions have been done ASV to NASB RV to RSV KJV to NKJV etc The present work is a similar hybrid I don't know Greek and am therefore not qualified in the slightest to actually translate and did not translate a single word But I know English as a professional author and know the Bible as a longtime Christian apologist very well This work accordingly isn't technically a new translation at all but rather a selection or collection of what I personally felt were the best renderings that maintained the KJV style as much as possible without the archaisms When I updated the old English language I sought to maintain a high Victorian 18th 19th century style of British English This NT selects from the following six translations all in the public domain 1 KJV 1611 rev 1769 2 Rheims 1582 rev 1750 3 Young's Literal 1887 4 Weymouth 1903 5 20th Century 1904 6 Moffatt 1922 *The Academy*, 1900 *The Book-lover*, 1899 The ^AAnnotated Anne of Green Gables L. indispensible insight into a dominant strand in the intellectual cultural and educational life of the British Isles during this period At this time the composition of Latin poetry was a regular feature of school curricula and a popular leisure time activity of the educated elite Such examination also sheds light on the poetic principles and practice of major British poets such as Campion Cowley Herbert and Milton who penned a large quantity of neo Latin verse in addition to their better known vernacular works **New-Church Messenger** ,1908 **American Lumberman** ,1918 **Neapolitan Songs** Eduardo Marzo,1905 **Notes and Queries** ,1927 **English Verse 1701-1750** David Fairweather Foxon,2003 Catalog of Copyright Entries Library of Congress.
