Manual Istorie Cls 10 Ed Corint:

Holocaust Education E. Doyle Stevick, Deborah Michaels, 2017-10-02 Holocaust Education Promise Practice Power and Potential provides timely studies of some of the most pressing issues in teaching and learning about the Holocaust around the world Europe is experiencing both anti Semitic attacks many by radicals claiming the banner of Islam and the resurgence of right wing movements that are openly hostile to minority rights particularly for marginalized and vulnerable groups like the Roma Sinti and Muslim refugees Can Holocaust education an encounter with the most extreme racial ideology to afflict the continent reduce violence and prejudice against Jewish and other minority groups The important studies in this volume address these and other pressing issues for the field including the progress of Central and Eastern European countries that experienced both Soviet hegemony and Nazi terror in grappling with the history of the Holocaust This book was originally published as a special issue of Intercultural Education Myth, Identity, and Conflict Anamaria Dutceac

Segesten, 2011-01-01 Myth Identity and Conflict A Comparative Analysis of Romanian and Serbian Textbooks by Anamaria Dutceac Segesten is an examination of how history and politics became entangled in Romania and Serbia In it Segesten asks questions like Is myth present in the history textbooks of Romania and Serbia If so are there differences in the ways these myths define the in group and the relationship with the Other between a country that experienced interethnic conflict Serbia and a country that did not Romania Do textbooks affect the odds that conflict will occur Segesten s findings confirm the presence of mythologized versions of the past in the history textbooks of both countries over the entire fifteen year period studied 1992 2007 despite claims for professionalization of textbook making Myths of noble origins of heroism and victimhood appear in both cases Segesten finds the language to be ideological and in favor of the ethnic majority even if over time there is a slow tendency towards moderation especially in Romania probably due to the influence of the European Union Ultimately Myth Identity and Conflict by Anamaria Dutceac Segesten questions the alleged power of history textbooks to make a difference in ethnically divided societies prone to conflicts ALEXANDRU BARNEA, Omnia mea vobis Iuliana
