

Letter – Sound Identification

Student Name: _____

Date: _____

Directions: Display one row of the Letter Identification Chart at a time. Ask the child to point to a letter and say its name for both capital and lower case letters. Then show the Sound and Word Association Chart one row at a time, and ask the child to name its letter sound, and a word that begins with that letter sound. Record incorrect responses, and then complete the scoring form. If the child scores 15 or below in any of the five areas at the mid-year benchmark, return that area to your small group.

Guided Reading Mary Browning Schulman, Carleen daCruz Payne, 2000 Ideas resources and a list of childrens books that can be used to implement guided reading *An Observation Survey* Marie M. Clay, 1993 Describes observation procedures teachers may use to monitor the progress of young children who are learning to read and write or who are having temporary difficulties with literacy learning *Raising Literacy Achievement in High-Poverty Schools* Eithne Kennedy, 2014-01-03 This book shares lessons gleaned from a two year intervention in a high poverty school which was highly successful in significantly narrowing the literacy achievement gap and in raising children s motivation and engagement in literacy both inside and outside school Kennedy argues that there is much that disadvantaged schools can do to close the gap but this is more likely to occur when a research based approach to instruction with a dual emphasis on cognitive skills and motivation and engagement assessment and professional development is undertaken **How Children Learn to Read** John Smith, Warwick Elley, 1998-02-27 How Children Learn to Read will support and enrich the work of practising teachers and clarify for parents and caregivers the issues and debates that surround reading instruction

Literacy Development in Early Childhood Beverly Otto, 2019-02-14 Widely recognized as a leading text in its field this popular guide explores literacy development beginning in infancy and through fourth grade The latest edition continues to prepare teachers to create and implement literacy rich curricula in early childhood classrooms while providing updates to federal legislation and highlighting the impact of state standards on educational settings Recent technology is integrated into activities used to enhance literacy competencies Throughout the book the author s approach to reflective teaching empowers teachers to become effective decision makers and thoughtful mediators in children s transactions with literacy A conceptual and theoretical foundation for describing reading and writing processes is followed by research based descriptions of the signs of emergent literacy and developmentally appropriate instructional strategies The emphasis on linguistic and cultural diversity includes an array of approaches for supporting English language learners Chapter extension activities challenge readers to apply concepts through observation research curriculum development and discussion Sample observation and assessment forms assist in determining children s progress in developing literacy *Learning to Read in New Zealand* John William Alexander Smith, Warwick B. Elley, 1995-10 *Resources in Education* , 1989-05 *Are You Prepared to Teach Reading?* James Zarrillo, 2007 For Reading Methods classes Are You Prepared to Teach Reading will help students prepare for state certification examinations on reading instruction and self regulate their own learning about teaching reading The concise prep book will be useful for all teacher candidates who want to self assess their fundamental knowledge of reading instruction adequately prepare for their own state reading certification exams or assess their core knowledge of literacy instruction if they are engaged in alternative certification programs Brief reviews of the components of reading instruction followed by case studies and thoughtful diverse multicultural classroom scenarios allow readers to assess themselves with

Zintz,Zelda R. Maggart,1984 Boundless Horizons Barbara Watson,Billie J. Askew,2009 BOUNDLESS HORIZONS tells the extraordinary story of Marie Clay's lifelong search for new possibilities in teaching young children to read and write She pursued a tantalising quest What is possible for children with reading problems What would have to change Observing young readers in ordinary classrooms she uncovered explanations of how children take on literacy learning and how that learning changes over time From those discoveries arose the internationally successful literacy intervention for children having temporary difficulty Reading Recovery This book is written for all professionals who are seeking better possibilities for children struggling to read and write A major theme is the enduring commitment to the child becoming an independent reader and writer but Marie Clay also extended her inquiries to teachers She demonstrated ways in which research theory and practice can interact And because her research was rooted in the real world teachers and teacher educators will find in it new possibilities to widen the horizons of their work Marie Clay's evidence based research was convincing Reading Recovery worked in New Zealand schools Later experience showed it working with different children in different schools in several different countries Contributors to this book trace the progress of Reading Recovery's expansion looking closely at international research which has studied the outcomes for more than a generation of children helped by Reading Recovery teaching Reprints of her early research on Reading Recovery and chapters highlighting her methodology together with subsequent international research and evaluation provide a gold standard for a new generation of researchers administrators and policy makers And the story of Marie Clay's unique search for possibilities to replicate Reading Recovery implementation across international settings and cultural contexts offers a framework for educational change agents Readers of BOUNDLESS HORIZONS will gain an understanding of the concepts and principles underlying Reading Recovery and an insight into why this originally small local project has taken wing to far places in undreamed of ways Marie Clay has left a challenging legacy to continue that search for possibilities keeping to her strict standards of research practice and international dissemination Her work will guide dedicated professionals who will continue to be surprised and delighted by what is possible as the horizons ever extend
