**in Inorganic Chemistry - Part II** Dr. A. AHMED RAZA & Dr. SEENU RAVI, 2024-09-05 This book is for the postgraduate students of chemistry aspiring to crack competitive examinations such as CSIR NET GATE SLET SET and PhD entrance examinations. Presently, admission to PhD programs in premier institutions like IITs, NITs, CSIR laboratories, central universities, and state universities is based on either NET GATE certificate or PhD entrance examinations. Further, the minimum eligibility criteria laid by UGC for the direct recruitment of Assistant Professors in the higher educational institutions is a postgraduate degree with NET SLET SET certificate. Thus, the students are bound to pass these examinations to pursue a bright career either in research or in academic teaching. The cut-off for qualifying these exams is 40 to 50%. However, the qualifying percentage of the candidates appearing for these examinations is around 5% only. Therefore, an attempt has been made by authors to develop study material pertaining to the syllabus of these exams along with the solved problems from the previous year question papers, which will guide the students to qualify easily. *The Earth Through Time* Harold L.
