

# 9-Day

## Step-by-Step Guide

“After 30 days with a personal trainer I lost just one pound. Switching gears I decided to try Isagenix with the 9-Day Deep Cleansing and Fat Burning System. Within days, I was down five pounds! I was so happy, I immediately put in an order for a 30-Day Cleansing and Fat Burning System before my supplies ran out.”

**Rebounding** Theresa Salihu-Musso,2010-03 Who among us has not experienced failure Rebounding is about the process of rediscovering reinventing and recovering yourself in the face of a personal or professional setback or failure It is about learning how to suck the juice out of a lemon and turn it into lemonade picking yourself up dusting yourself off and moving on with the business of living at hand emerging even stronger wiser and with more confidence than before We all have a unique set of experiences talents and gifts all of which present opportunities for growth and for unique perspective Blending personal experience with practical suggestions for reengaging Rebounding presents a perspective that gives one the space to breathe in the face of a failure and learn how to turn that liability into one of your greatest assets With a rare sense of vulnerability the author opens up about some of her greatest challenges and what core beliefs created an ability to experience an inner resilience that many never talk about Sharing the failure of a business the failure of a marriage and

struggles with her recent financial reality she creates in Rebounding a unique chance to get inside the ebbs and flows of life and examine the real power of personal choice in the face of adversity Word Count 212 [A Hijabi's Journey to Live, Laugh and Love](#) Farheen Khan,2018-10-09 This is the story of Farheen Khan and her inspiring voyage as she rose above betrayal culture and tradition to live in the present She will motivate all women to face challenges and reevaluate their purposes in life in order to focus on what matters most **Still Bigger Than Pink** Csp Mirm Lori Lober,2009-05 Conclusion On January 2 2009 I saw my oncologist for my annual scans While I am confident in my wellness and feel better than I have ever felt I cannot help but be a bit nervous each time the tests are run I am alive and well with great news All are clear and I remain no evidence of disease I know dedication to self care and my new IsAgenix regimen are working to create balance in my body allowing for optimum healing My doctors cannot give me definite answers as to why my treatments have been successful when others have failed or even why I m still alive and thriving now NINE years after my stage IV metastatic breast cancer diagnosis However they have said many times that I am a very proactive patient Of course being proactive does not guarantee success and long term survival unfortunately there are no guarantees However I feel that truly believing that I was not going to die most certainly was an important factor In addition to that my faith the support of my family and friends the combination of everything discussed in this book and yes a little luck have all contributed to my long term survival Prior to being diagnosed with cancer I would not necessarily have considered myself an extraordinarily lucky person Now however the quality of life I live every day is much richer the special moments more memorable and the love I have to offer both to myself as well as to others is deeper and more fulfilling This is precisely why I tell everyone I meet that I feel blessed to have actually had cancer and I continue to be deeply grateful to now be healthy and happy Journey well Lori C Lober CSP MIRM
